Pastor's Column

On Sunday, February 2, we will unveil our new mission statement in our worship and at our Congregational Meeting. Actually, you can catch a sneak preview of it in this Network (see accompanying article). This brief statement is the product of our New Beginnings efforts, and reflects the emerging focus around a ministry of "feeding."

In many ways, this "new" mission statement isn't "new" after all but reflects our biblical and Christian heritage. Christ understood the human need for nourishment in body, mind, and spirit. He was always feeding people and joining people in meals. His healings, teachings, and actions of love nourished people in other important ways as well. And as the risen Christ stood on the seashore eating fish with his followers, he summoned them to "feed my sheep."

This focus on feeding others as we ourselves are fed by Christ, the Bread of Life, is the basis for our new mission statement and our vision for the life and ministry of UPC. I invite you to attend the Annual Meeting of the Congregation on Sunday, February 2 at 12 noon to learn more about the ideas and projects in which this new mission is beginning to take shape.

Donate Your Soles!

The Ministry in Community Committee is partnering with Hearts With the Homeless which is a charity that has a city mobile soup center and clothing distribution site on Tonawanda Street in Buffalo. If your gently used adult and children soles (shoes, sneakers, sandals or boots) can be used by those who have nothing for their feet, please wrap up your soles in a small grocery bag and place in the designated box located in the Narthex by the food collection basket.

Thank you from those who have no soles.

A New Beginning, a New Mission....

We are a hungry people who receive Christ, the Bread of Life, who sustains us on our journey. We strive to feed as we are fed, sharing the Bread to nourish others in body, mind, and spirit.

“Let Us Be Bread”

Throughout the past year, the New Beginnings team has explored many aspects of our church life, with the ultimate purpose of discerning our future path. It was clear from the beginning that we would need to look at UPC’s mission statement and redefine it, to reflect a fresh new view of who we are as followers of Christ, and what our purpose is within the community.

A small group was formed to develop a new mission statement. The goal was to keep it simple, while embodying what UPC is all about. We began by asking some fundamental questions – Who are we? What is our purpose as a faith community? How does God want us to serve others?

We kept coming back to one recurring theme – being fed and feeding others.

As a congregation, we are already being fed in many, many ways: physically, at the various lunches, weekly coffee hours and other social events we hold; spiritually, in the form of communion, prayer, scripture readings and sermons; our minds are fed at our weekly adult education classes, in addition to occasional discussion groups. **We also feed others in the community:** our food pantry, outdoor hot dog lunches open to the public, Family Promise dinners; holding others in prayer, extending everyday kindnesses, social justice involvement.

The New Beginnings team as a whole is also exploring many new ways we might expand how we feed others in body, mind and spirit.

In developing the new mission statement, we felt it should reflect this basic concept of physical, spiritual and mental nourishment as the foundation of our faith. It was also important to acknowledge that we ourselves are “hungry,” in need of Christ’s nourishment, as much as those we extend his nourishment to.

We are a hungry people who receive Christ, the Bread of Life, who sustains us on our journey.
We must always be aware of our own need for Christ’s nourishment – the Bread of Life.

We strive to feed as we are fed, sharing the Bread to nourish others in body, mind, and spirit.
We must pay it forward and share the Bread of Life with others in need.

Two simple sentences. One powerful message. Feed others as we are fed. ***“Let Us Be Bread.”***

A Blessing Story

From Howard and Lee Ann

We were blessed by our participation in the Family Promise dinner at Crossroads Lutheran Church on New Year's Eve 2013. Whereas we had thought that we might be a blessing to others, providing food and companionship to a homeless family from Afghanistan / Tajikistan, we so enjoyed the meal and the conversation with them, and their faith and hope in making a new beginning in life, that it turned out that they were a blessing to us! They had been refugees in Russia where they received no help at all. They obtained admission to the United States and were first placed in Spokane, Washington in order to be close to a Russian-speaking community. They have now relocated to Buffalo to be closer to the husband's sister in Toronto, and once housing is secured they will attend English as a Second Language classes in order to be able to find employment (he is an engineer; she is a nurse). One of their three children is a special needs child who, for the first time in his life at age 12, is able to attend school—and he loves it! What a blessing!

Do you have a "Blessing Story"?

Blessings come to us in many ways. They surprise us at the best and worst of times. Sometimes we don't recognize them until they've passed by. Our *New Beginnings* focus this year is "Blessings". Maybe you have a story that could bless another through the monthly newsletter. Use the space below or as much as you'd like to share and submit to one of the deacons. Some of you may prefer to e-mail your 'blessing story' for editing to:

FOOD PANTRY BY THE NUMBERS

These numbers only tell part of the story of this important and meaningful ministry. It is the people behind the numbers, those who receive this food and offer us their thanks and their blessings, and this congregation who provide such generous support, both in time and in donations, that are the essence and the real story that these numbers represent. Our thanks to all of you.

Too many of us lead hectic lives.

Our communities are filled with violence and suffering.

Our personal pain and struggles can overwhelm us.

How do we respond? How can we cope?

University Presbyterian Church welcomes Christians from all traditions to unite in a special contemplative worship experience as we seek spiritual strength for the living of our days. Based on the style of worship practiced in the Taize Christian community in France, these services offered on the First Friday of each month provide an oasis at the end of the week for all who are weary, troubled, or rushed. Special music from guest musicians, meditative songs, prayers, candles, and scripture readings allow each of us to find a quiet place of prayer and spiritual centering.

We invite you to join us on **Friday, February 7 from 5:30 – 6 p.m.** University Presbyterian Church is located at 3330 Main St., Buffalo (across the street from UB South Campus) with parking available in the church lot off Niagara Falls Boulevard. The church is also conveniently accessible using public transportation by taking bus or train to the University Metro station. Questions can be directed to the church office at 836-7660.
